

Holiday course

JANUARY 2024

Tutors SA

Your partner in **academic excellence!**

Dear Parents/Caregivers,

With popular demand, we are pleased to announce the opening of the **Special ACER® Scholarship, Ignite Entry Exam and STEM Pathways Holiday Course** offered at Tutors SA targeting February 2024 ACER® Scholarship Tests and Ignite Entry Exams.

Our main scholarship preparation course started in July 2023 and we are tutoring and mentoring our students across 10 groups. However, the enrolment for this main course is closed as all groups are finalised.

This is an exciting opportunity to support students who missed joining our main scholarship preparation course with our “**Accelerated ACER® Scholarship, Ignite Entry Exam and STEM Pathways Holiday Course**” held at our Campbelltown Centre during the school holiday - January 2024. This accelerated course will have the equivalent number of contact hours compared to our main course to prepare students for the exams, and is a great opportunity to prepare your child to the exam, closer to the exams in a focused manner.

Dr Don Wenura Dissanayake
Managing Director
Tutors SA, MedPrep, STEM Centre Australia

"Dream big and pursue your goals with self-discipline and persistence. Have a plan in place and always take action to achieve your goals."

WHAT ARE THESE SCHOLARSHIP AND ENTRY AND TESTS?

The **ACER® Scholarship Tests** consist of a series of academic ability tests used to select students for the award of a scholarship. Independent schools around Australia choose a testing date which best suits their schools' needs.

The **Ignite program** is offered in 3 schools in South Australia including Glenunga International High School. The Ignite program focuses on Gifted and Talented students by offering accelerated learning programs from year 7 onwards.

The **STEM (Pathways) programs** focus on pushing curious minds to investigate Science, Mathematics, and Technology and learn to think critically, imagine creatively, and be ready for the jobs of the future.

WHO IS THIS TEST FOR?

We are targeting "Secondary Level - 1"- For students entering Year 7 in 2025. Therefore, we will be opening opportunities for students currently in school years 5 in 2023. Generally, tests are held in February each year, and hence it is anticipated the next test will be held in February 2024, for 2025 school entrance.

MAIN SCHOLARSHIP & ENTRY EXAMS COVERED THROUGH OUR **ACER®, IGNITE & STEM PREPARATION COURSE**

Participating Schools

1. Ignite Entry Exam

- Glenunga International High School
- The Heights School
- Aberfoyle Park High School

TESTIMONIAL

**"TO SUCCEED, WE
MUST FIRST BELIEVE
THAT WE CAN"**

- Michael Korda

"The tutoring for Ignite taught my daughter useful strategies for answering the abstract reasoning component in the ACER® test and also taught her how to frame and compose narratives for the writing component. In addition, completing practice tests during the tutoring was very useful to familiarise my daughter with the structure and layout of the test - so that she felt confident going into the ACER® test itself. I am sure that participating in the tutoring significantly improved my daughter's result in the ACER® test."

- Jessica G, enrolled 2020-21

Making education accessible from anywhere and **maintain the continuity of learning** to make a difference in our student's academic success!

WHAT ARE OUR GOALS IN PREPARING STUDENTS FOR THE ACER®, IGNITE & STEM SCHOLARSHIP TESTS?

To improve their core academic skills in Maths and English that are essential for the scholarship tests and entrance exams.

- **Maths** – Essential year 5 maths knowledge, numerical reasoning, abstract reasoning, spatial reasoning, pattern recognition, identification of relationships, and problem solving.
- **English** – Creative writing, persuasive writing, reading comprehension and interpretation, and humanities.

To teach and train students in examination techniques, time management skills, and better exam finishing skills.

Improve students' confidence to work under-pressure and exam conditions for best results.

WHAT ARE THE COURSE DETAILS AND STRUCTURE?

Tutors SA implements a well-planned and highly organised approach in this specialised scholarship preparation program, with the aim of providing students with the most effective and efficient mentoring and preparation. Our panel of highly qualified and experienced teachers and tutors teach, test and challenge students on various aspects that are relevant to the test. Every session, there is a range of questions, exercises and/or practice tests to help students to improve their standard and followed by regular homework and mock exams.

Throughout the course we will be offering FREE daily Maths homework help sessions to our enrolled students.

TESTIMONIAL

"Our daughter was offered an entry into IGNITE program at Glenunga. In addition, our daughter also obtained a scholarship offer from one of the prestigious private schools in Adelaide. Without help from Don and his team, this would have been impossible. Don and his team were always ready to help when we needed it. Don has also provided us with valuable advice on which school to choose, details of course etc. I would definitely recommend Tutors SA for anyone who is preparing for the ACER®/IGNITE Program."

- Lincy V, enrolled 2019-20

**"BEFORE ANYTHING
ELSE, PREPARATION IS
THE KEY TO SUCCESS"**

- Alexander Graham Bell

WHAT IS THE SELECTION PROCESS FOR THE TUTORS SA SCHOLARSHIP CLASSES?

Due to the high demand, a selection exam will be held to select and group a limited number of students. It is compulsory to take the test to get selected to the Tutors SA scholarship classes. Tutors SA will release the results in due time after the test is taken and advice further on the enrolment process to the e-mail address provided upon registration.

Selection Test Fee

\$50.00 (including GST) – fee includes the marking of the test and providing written feedback on the test result.

Register online at this link: [ACER®, Ignite & STEM Selection Test Registration](#) and we will get back to you with the registration confirmation within 2 business days.

Test Location

Donash Education Centre,
27 Montacute Road Campbelltown SA 5074

Students succeeded other selection exams with similar standard.

- Adelaide High - ALEAP
- Adelaide Botanic High School - STEM
- Norwood Morialta High - Accel STEM Program
- St John's Grammar School

TESTIMONIAL

"I liked the personal attention and guidance, weekly homework tasks and monthly tests provided by Tutors SA. I believe that the personal attention given to each student with the carefully designed course and model papers covering the critical areas being tested in IGNITE were most helpful for my child to succeed in this exam. The challenging questions were pushing her to explore more possibilities and to improve her critical thinking. The structured homework material given was helpful in improving her organisation and time management skills and it kept her motivated and engaged. The monthly tests and parent meetings were also helpful to evaluate which level my child was at and the areas she had to improve. We are so grateful to Don for guiding us to select this course and to both Don and Kathy for their dedicated mentoring key to the success of my child."

- Shalika J enrolled 2020-21

★★★★★ 7 days ago

My daughter did the ignite program with Tutors SA and was accepted into Glenunga HS. The teachers at Tutors SA were great, and went a long way to not only teach but inspire my daughter. I'd have no hesitation in recommending Tutors SA to anyone.

Caden Turner

★★★★★ 27 weeks ago

Fantastic Tutor School with first class course content. The ACER/ignite program is incredibly challenging and really pushes the children to develop themselves. We love the program and the whole school is extremely caring and passionate about what they do. It's a special thing when your child learns to be inspired by new concepts and develops a love for learning itself. This is priceless. Great job Tutors SA.
