WHAT ARE OUR GOALS IN PREPARING STUDENTS FOR THE ACER® SCHOLARSHIP TESTS?

To improve their core academic skills in Maths and English that are essential for the scholarship tests and entrance exams.

- **Maths** – Essential year level maths knowledge, numerical reasoning, abstract reasoning, spatial reasoning, pattern recognition, identification of relationships, and worded problem solving.
- **English** – Creative writing, persuasive writing, reading comprehension and interpretation.

To teach and train students in examination techniques, time management skills, and better exam finishing skills.

Improve students' focus and confidence to work under-pressure and under exam conditions for best results.

WHAT ARE THE COURSE DETAILS AND STRUCTURE?

Tutors SA implements a well-planned and highly organised approach in this specialised scholarship preparation program, with the aim of providing students with the most effective and efficient mentoring and preparation. Our panel of highly qualified and experienced teachers and tutors teach, test and challenge students on various aspects that are relevant to the test. Every week there is a range of questions, exercises and/or practice tests to help students to improve their standard and followed by regular homework and mock exams.

We also offer FREE Homework Help sessions to our enrolled students for extra support.

TESTIMONIAL

"We are delighted to share that our son has received an offer for the STEM Pathway at Adelaide Botanic High School and ACER Scholarship for a private school.

We want to extend our thanks to Tutors SA team for the exceptional support he received. The personalised mentorship, insightful feedback, and comprehensive review materials played a crucial role in his preparation for the assessment.

Without the guidance and resources provided by your outstanding tutors, he would not have gained the confidence needed to succeed in such a competitive entry exam.

We highly recommend the ACER, IGNITE and STEM preparation course at Tutors SA"

- Manny A, enrolled 2023-24."

MINH NGOC (ACER/IGNITE/STEM AT TUTORS SA)

My son has studied at Tutors SA (Mitcham campus) and succeeded in Ignite examination this year. He will attend Glenunga international high school in January 2024. We are very satisfied with the wonderful teaching quality of Tutors SA and highly recommend this centre to parents.

KUSHAN M: (ACER/IGNITE/STEM + YEAR 6 - YEAR 8* AT TUTORS SA)

Our son was selected to IGNITE program all thanks to Don and his team. Class structure, materials, timely feedbacks and individual attention helped my son to achieve his targets. Without the help and support from Tutors SA, He wouldn't be able to reach his goals. We highly recommend Tutors SA scholarship program.

Hybrid Tuition

State of the art Technology at Tutors SA

In order to enhance the continuity of student learning, and to make our services accessible to all students through a **Hybrid Tuition Model**, we have fitted each of our classrooms with a high-definition webcam, Wacom drawing pad, and high-resolution touch screen capabilities.

Furthermore, we have recently installed high-quality 4K resolution overhead conference cameras in each of our classrooms. Whether a student joins the centre face to face, or online through our learning platform **Spark***, we want to give all of our students the best opportunity to learn. Through these conference cameras, online students are able to view the lesson in high definition just like face-to-face students, they can interact with the tutors in live lessons, and even access our resources through **Spark***.
