Tutors SA

Your partner in **academic excellence!**

Dear Parents/Caregivers,

With popular demand, we are pleased to announce the opening of the **Special ACER® Scholarship, Ignite Entry Exam, STEM Pathways and AAS Scholarship Holiday Course** offered at Tutors SA targeting February 2027 ACER® Scholarship Tests and Ignite Entry Exams. Our main scholarship preparation course started in July 2026. However, the enrolment for this main course is closed as all groups are finalised.

This is an exciting opportunity to support students who missed joining our main scholarship preparation course with our “**Accelerated ACER® Scholarship, Ignite Entry Exam and STEM Pathways Holiday Course**” held at our Campbelltown Centre during the school holiday - January 2027.

This accelerated course will have the equivalent number of contact hours compared to our main course to prepare students for the exams, and is a great opportunity to prepare your child to the exam, closer to the exams in a focused manner.

Choosing Tutors SA for your child's preparation in ACER® Scholarship, Ignite, STEM Pathways and STEM Pathways Holiday Course significantly boosts their success rate. With a proven track record of excellence, our courses are designed to excel students in competitive entry exams.

Our highly qualified teachers and tutors are committed to bringing out the best in your child, providing personalised mentorship and a supportive learning environment to foster academic achievement.

As we continuously strive for innovation and adaptability in our teaching methods, we remain dedicated to partnering with parents in navigating their child's educational journey, ensuring they are well-prepared and confident for the challenges of high school and beyond.

WHAT ARE THESE SCHOLARSHIP AND ENTRY AND TESTS?

The **ACER® Scholarship Tests** consist of a series of academic ability tests used to select students for the award of a scholarship. Independent schools around Australia choose a testing date which best suits their schools' needs.

The **Ignite program** is offered in 3 schools in South Australia including Glenunga International High School. The Ignite program focuses on Gifted and Talented students by offering accelerated learning programs from year 7 onwards.

The **STEM (Pathways) programs** focus on pushing curious minds to investigate Science, Mathematics, and Technology and learn to think critically, imagine creatively, and be ready for the jobs of the future.

MAIN SCHOLARSHIP & ENTRY EXAMS COVERED THROUGH OUR **ACER®, IGNITE & STEM PREPARATION COURSE**

Participating Schools

1. Ignite Entry Exam

- Glenunga International High School
- The Heights School
- Aberfoyle Park High School

2. **ACER®/ACEP Private School Scholarship Test**

Over 30 private, catholic, and independent schools

3. **STEM Pathways Program**

Adelaide Botanic High School

4. **Accelerated STEM Program**

Norwood International High School

5. **Other Special Entry Programs**

WHO IS THIS TEST FOR?

We are supporting ACER® Secondary Level – 1, for students entering Year 7 in 2028. Accordingly, this program is designed for students currently in Year 5 in 2026. In South Australia, most ACER®, Ignite, and STEM entry examinations are typically held in February, with the next anticipated testing period in February 2027 for 2028 school entry.

Please note that places are limited, and students are selected and grouped based on a selection test. Note that prior registration is compulsory for the selection test.

TESTIMONIAL

"My daughter completed the Ignite course with Tutors SA from July 2025 to February 2026 and was successfully offered a place in the Ignite program. The classes were very helpful, and she regularly attended the homework sessions. She really enjoyed her time there, and the feedback provided was very useful in helping get her back on track. Overall, we are very happy with the support and would highly recommend Tutors SA to other families."

WHAT ARE OUR GOALS IN PREPARING STUDENTS FOR THE ACER®,IGNITE & STEM SCHOLARSHIP TESTS?

To improve their core academic skills in Maths and English that are essential for the scholarship tests and entrance exams.

- **Maths** – Essential year 5 maths knowledge, numerical reasoning, abstract reasoning, spatial reasoning, pattern recognition, identification of relationships, and problem solving.
- **English** – Creative writing, persuasive writing, reading comprehension and interpretation, and humanities.

To teach and train students in examination techniques, time management skills, and better exam finishing skills.

Improve students' confidence to work under-pressure and exam conditions for best results.

WHAT ARE THE COURSE DETAILS AND STRUCTURE?

Tutors SA implements a well-planned and highly organised approach in this specialised scholarship preparation program, with the aim of providing students with the most effective and efficient mentoring and preparation. Our panel of highly qualified and experienced teachers and tutors teach, test and challenge students on various aspects that are relevant to the test. Every session, there is a range of questions, exercises and/or practice tests to help students to improve their standard and followed by regular homework and mock exams.

Throughout the course we will be offering FREE daily Maths homework help sessions to our enrolled students.

MINH NGOC (ACER/IGNITE/STEM AT TUTORS SA)

My son has studied at Tutors SA (Mitcham campus) and succeeded in Ignite examination this year. He will attend Glenunga international high school in January 2024. We are very satisfied with the wonderful teaching quality of Tutors SA and highly recommend this centre to parents.

KUSHAN M: (ACER/IGNITE/STEM + YEAR 6 - YEAR 8* AT TUTORS SA)

Our son was selected to IGNITE program all thanks to Don and his team. Class structure, materials, timely feedbacks and individual attention helped my son to achieve his targets. Without the help and support from Tutors SA, He wouldn't be able to reach his goals. We highly recommend Tutors SA scholarship program.

HYBRID LEARNING @ TUTORS SA **FACE TO FACE & ONLINE TUTORING**

Hybrid Tuition

State of the art Technology at Tutors SA

In order to enhance the continuity of student learning, and to make our services accessible to all students through a **Hybrid Tuition Model**, we have fitted each of our classrooms with a high-definition webcam, Wacom drawing pad, and high-resolution touch screen capabilities.

Furthermore, we have recently installed high-quality 4K resolution overhead conference cameras in each of our classrooms. Whether a student joins the centre face to face, or online through our learning platform **Spark***, we want to give all of our students the best opportunity to learn. Through these conference cameras, online students are able to view the lesson in high definition just like face-to-face students, they can interact with the tutors in live lessons, and even access our resources through **Spark***.
