MEET

Dr Don Wenura Dissanayake
Founder & Managing Director
Tutors SA, STEM Centre Australia, MedPrep

Our team of highly qualified and experienced teachers and tutors are dedicated to mentoring students and unlocking their full potential. By fostering a supportive and nurturing environment, we empower students to aim high and achieve outstanding outcomes in their future endeavours.

As we forge ahead, Tutors SA remains committed to continuous learning, growth, and adaptation to meet the evolving needs of our students, parents, and stakeholders. Our unwavering motivation to inspire learning drives us to push boundaries and redefine the private tutoring landscape.

Our Story

Tutors SA was founded in 2013 by Dr Don Wenura Dissanayake with the purpose to "Inspire Learning,". Under his leadership, Tutors SA have become the premier destination for 21st-century education in Adelaide with over 13 years of proven success, supporting over 1000 students weekly with a team of 50 hand-picked tutors and dedicated support staff.

A research scientist turning into an entrepreneur, and an inspiring educator.

As a Research Scientist, Educator and an Entrepreneur possessing over 22 years of multi/interdisciplinary research and development expertise in Electronic and Computer Systems Engineering and Mathematics fields, Don has contributed at various capacities, in technical, professional and research areas in defence, commercial organisations as well as in academia.

As a successful academic achiever that paved the way for professional success, Don pursued his passion to become an educator; and becoming the founder of Tutors SA, STEM Centre Australia, and co-founder of MedPrep education institutes, Don has been able to inspire several thousands of students as high-achieving professionals in various fields including engineering and various other fields.

At Tutors SA, we have invested in state-of-the-art facilities to create an exceptional learning environment. Our main centre, the Donash Education Centre, offers a purpose-built facility equipped with cutting-edge technology, delivering an unparalleled learning experience. Additionally, we have expanded our reach with a second centre in Mitcham SA, further augmenting our ability to serve our growing student base.

Received Inspiring Engineer award, presented by **SLESA** (Sri Lankan Engineers in South Australia)

In recognition of senior engineers inspiring young engineers through demonstrated excellence in their career and contribution to the engineering profession and the community.

At Tutors SA

We are devoted to igniting student's talents and unlocking extraordinary potential!

Acclaimed as one of the leading tutoring institutes in Adelaide, attending Tutors SA is a uniquely rewarding educational experience. Through our focus on brilliant teaching and learning, students can discover more, achieve more and become more.

Our teaching methodology is well-planned, structured and student-centred. Our Adelaide tutors are highly experienced and qualified in tutoring all school levels. Our highly successful and most sought-after scholarship preparation courses in Adelaide (ACER® Scholarship Test, Ignite Entry Exam & Accelerated STEM Pathways Entry Exam); as well as our extension classes for Year 6 to Year 9, and SACE program aim to provide students with the mentorship and guidance to truly excel.

At Tutors SA, we are passionate about providing tools that can help students accomplish high, extraordinary goals. Our experienced and accomplished tutors teach, test and challenge students in all aspects relevant to their academic level to further develop their learning potential and the competency.

Our strength

Explicit teaching methodology in tutoring the core subjects following the Australian, SACE and IB curriculums, including special preparation courses targeting the ACER® Scholarship and Ignite & STEM Entry Exams, as well as Extension Classes for school years 7 and above.

What we offer

We are highly experienced in providing small group tuition for students from Reception–Year 12.

Making a difference

We are the leading private tuition institute in Adelaide established in 2013.

Why Tutors SA

Small group tuition in a highly cared setup

Our small group set up, ensures more individualised support for students' needs. We make sure we support them on their journey to become the best version of themselves they can possibly be.

- Support with all subjects, from Reception to year 12
- Small group tuition (maximum 10 students per class)
- Special focus on study ethics and discipline

Explicit teaching methodology

We understand opportunities and success are the result of the compound effect. So we not only aim for academic excellence, but also to instil values and habits that in the long run can reap significant rewards from the small, smart and consistent choices our students make.

- We follow the Australian curriculum (R - Y10) and SACE curriculum (Y11-Y12)
- Regular assessments to measure student progress
- Free homework help sessions

Superior results & academic excellence

We pride ourselves to be in a great position to mentor our students in the best possible way.

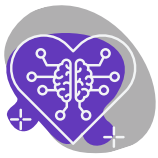

- Highly qualified and experienced teachers & tutors
- Highly successful and most sought-after scholarship preparation courses in Adelaide, (ACER® Scholarship Test, Ignite Entry Exam & STEM Pathways)
- Extension classes for Year 6 to Year 10
- Structured exam revision programs for SACE Stage 2 exams
- Proven success rate

Curriculum aligned current resources & assessments

We utilise original, high standard Australian and SACE Curriculum aligned resources developed in-house by our accomplished content development team with years of collective experience.

Our worksheets are designed to include end-of-term assessments, offering an effective gauge of progress.

Growth mindset for long term success

We are committed to cultivating an environment that fosters long-term success for our students, regardless of their primary tutoring goal;

- be it achieving academic excellence,
- enhancing grades, or
- catching up with school curriculum.

State-of-the-art facilities with innovative technology

Our state-of-the-art facilities feature cutting-edge technology, including

- high-definition overhead conference cameras,
- interactive touch screen all-in-one computer systems,
- electronic drawing pads in every room.

Our Achievements and Recognitions

At Tutors SA, our unwavering commitment to Educational Excellence has been recognised through multiple prestigious awards and accolades over the years.

These achievements are a powerful reflection of the trust our families place in us and the outstanding results we deliver for our students. Each award reinforces our mission to inspire learning, foster academic growth, and empower every child to achieve their full potential.

Australian Tutoring Association, Tutors SA is a proud member of the Australian Tutoring Association (ATA). The ATA represents tutors and tutoring organisations and acts as an industry lobby group to:

- Ensure students are provided the best possible service
- To raise the standard of tutoring in Australia, and
- Ensure organisations are acting ethically.

Our Purpose

“ Inspire Learning ”

At Tutors SA our purpose is to Inspire Learning in our students from Reception to Year 12. We are dedicated to nurturing a passion for knowledge, fostering academic growth, and empowering the next generation to reach academic excellence.

Our Values

SMARTER COLLECTIVELY

Smarter Collectively emphasises that Tutors SA working together with our students, tutors, support team as well as parents to lead to greater intelligence, creativity, and problem-solving abilities for all the connected communities. It's about harnessing the collective wisdom and diverse perspectives of a team to achieve better outcomes for all involved.

ACADEMIC EXCELLENCE

Academic Excellence one of the key values at Tutors SA. It is the pursuit of high standards and exceptional performance in educational endeavours for our students. It involves a commitment to learning, understanding concepts, practise and excel, and achieving exceptional grades and qualifications. We further work on establishing the dedication to rigorous study, critical thinking, and a passion for knowledge.

COMMITMENT & HARD WORK

Commitment and Hard Work highlights the importance of dedication and persistent effort in achieving goals and success for our students, tutors and support team at Tutors SA. It means staying committed and focused on objectives, even in the face of challenges or setbacks, and being willing to put in the time and effort required to achieve set goals.

GROWTH MINDSET

As a key value at Tutors SA, with Growth Mindset we believe that one's abilities and intelligence can be developed and improved through dedication, effort, and ongoing learning. We train our students to embrace challenges, view failures as opportunities for growth, and be open to continuous self-improvement.

MENTORSHIP AND CONNECTION

At Tutors SA, Mentorship is a cherished practice that embodies the essence of growth and collaboration. It entails our tutors and senior team as mentors, offering unwavering guidance, support, and wisdom to our students and the team than need of support. This dynamic relationship thrives on trust and mutual respect, fostering both personal and professional development.

Curriculum Information

PRIMARY SCHOOL (R-Y6)

Mapped to the Australian curriculum, our **Hybrid Tuition** model supports face-to-face and online tutoring programs cover all academic levels, from **Maths** and **English** to **ACER®, Ignite & STEM** programs. In addition to the core curriculum, we are also focused on preparing our students for **NAPLAN** for school years 3, 5 as well as other assessments like **ICAS** during the first and half terms of a given year.

MIDDLE SCHOOL (Y7- Y10)

We cover all academic levels for **Maths, English** and **General Science**. In addition to the core curriculum, we are also focused on preparing our students for **NAPLAN** for school years 7 and 9, as well as other assessments like **ICAS** during the first and half terms of a given year.

ACER®, IGNITE & STEM SCHOLARSHIP

Tutors SA offers highly successful and most sought-after scholarship preparation courses in Adelaide for **ACER® Scholarship Test, Ignite Entry Exam & Accelerated STEM Pathways Entry Exam**. Our highly qualified and experienced scholarship tutors in Adelaide teach, mentor and guide students to be exam ready.

HIGH SCHOOL (Y11- Y12)

We follow the **SACE Stage 1 and 2** curriculums for year 11 and 12 in small group sessions respectively for all **Maths**, **Chemistry**, **Biology**, **Physics,** and Individual tuition for **specialty subjects**. We provide regular weekly homework and hold timely revision sessions, which helps our students to reinforce what they have learnt in the class. This helps them improve their knowledge and understanding of the subject to perform exceptionally well in exams.

INTERNATIONAL BACCALAUREATE (IB)

We provide individual tuition for the IB curriculum from Reception to Year 12 and guide students through a comprehensive understanding of the format and expectations of the IB, developing exam confidence and high-performance exam strategies.

SPECIAL EXTENSION & SACE HEADSTART COURSES

Tailored for **high achieving Years 6 to 10** students who would like to challenge and grow their potential through accelerated learning.

Inspired by like-minded, bright students with a strong work ethic, the students can reach their own potential in **Maths, English** and **General Science** subjects (Years 6 - 9) and SACE Stage 1 (Year 10) at their own pace.

THE TUTORS SA LEARNING JOURNEY

A clear path from learning new skills to getting extra support.

01 STRUCTURED TEACHING

Learn new concepts and skills through structured lessons with tutors.

02 GUIDED PRACTICE

Practise new skills through activities and exercises with tutor guidance.

03 WEEKLY HOMEWORK

Reinforce classroom learning with regular practice at home.

04 ASSESSMENT & FEEDBACK

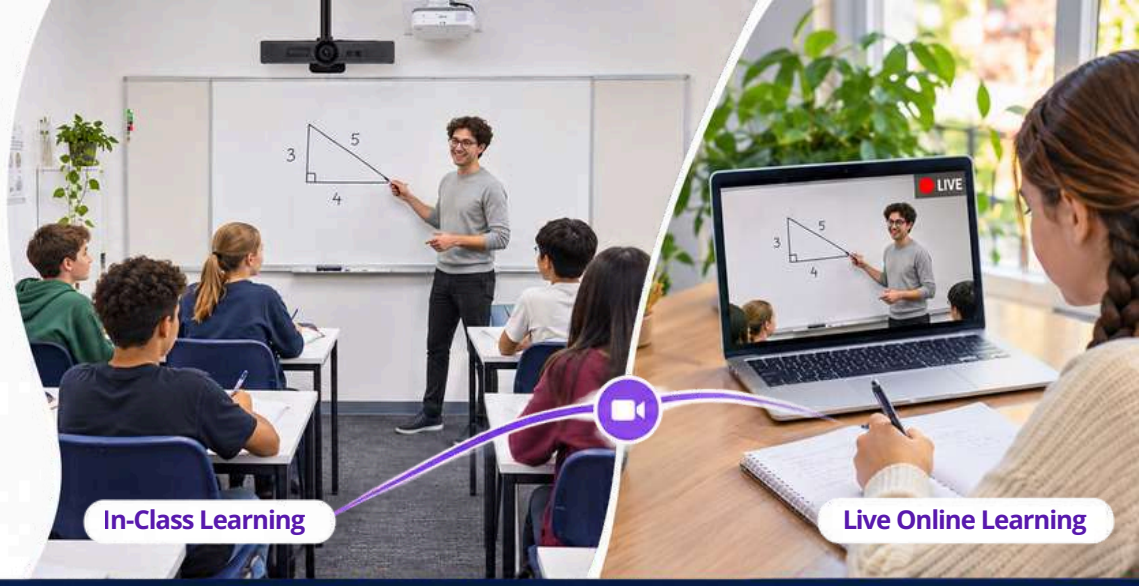

Review progress, recognise strengths and identify areas for improvement.

05 FURTHER SUPPORT

Receive additional guidance to strengthen understanding and excel.

Hybrid Learning

Learn Your Way. Anywhere.

Same Classroom | Same Tutor | Same Live Lesson

Hybrid Tuition

Stay connected to learning—in centre or online

Join a live lesson at the centre or online, staying connected with your tutor and class when attending in person is difficult.

Join live lessons

Attend face-to-face at the centre or join the classroom lesson online.

Interact with your tutor

Ask questions, take part in discussions and receive guidance during the lesson.

Access learning resources

Find shared lesson materials through the **Spark Portal** to support learning and revision.

Keep learning when plans change

Online participation helps students maintain continuity when they cannot attend the centre in person.

Technology that supports learning

Classroom cameras, touch screens and digital writing tools help online students follow explanations and classroom activities.

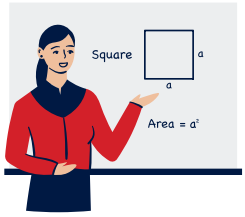

Watch how hybrid tuition works

Our Tutors

A highly passionate teaching panel offering wealth of knowledge and experience in broad range of fields.

All our tutors are highly qualified and experienced in the subjects they tutor and are focused on students' achievements.

Our tutors' backgrounds derived from a variety of specialities such as research scientists, senior lecturers and research fellows, engineers, mathematicians, and qualified school teachers.

Our core panel of tutors are degree qualified and several have obtained PhDs and/or Masters degrees in their respective fields.

Our tutors are well trained with ongoing professional development that ensures high quality and well supported lessons.

In some exceptional situations, we also have tutors who had achieved 99.95 ATAR in SACE/IB with several subject merits and highly capable in teaching.

RAJITH J: (YEAR 6 - 12 AT TUTORS SA)

★ ★ ★ ★ ★

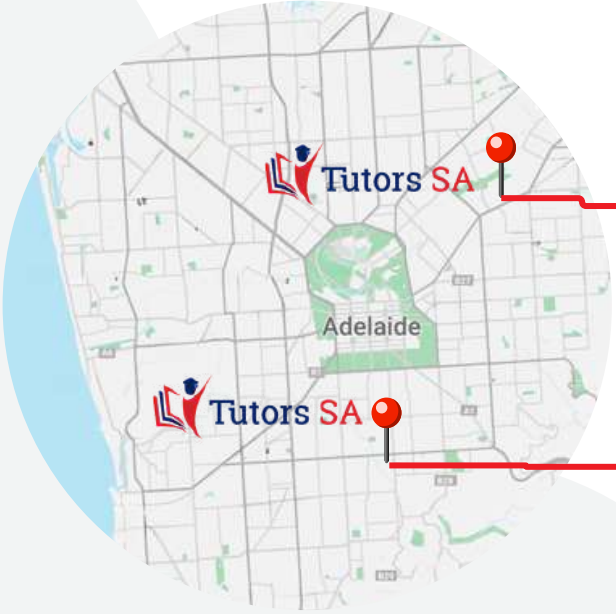

"Learning Maths at Tutors SA was an amazing experience and helped me achieve a 19.6 in maths methods. The tutors knew every aspect of the course work and was able to answer any questions I had. Their commitment to each student despite the group classes was exceptional, ensuring everyone is up to date on knowledge and abilities to tackle all types of problems. The tests provided by Tutors SA were also very helpful in understanding the weak areas allowing for improvement. The Tutors often offered further assistance after class for students requiring such, whether it was for difficult questions or for help with assignments. I would highly recommend Tutors SA for all students' academic needs. After all with their help, I was able to get into my dream degree of Medicine."

Our Centres

Your partner in academic excellence from north to south in Adelaide

Tutors SA operates from conveniently situated learning centres strategically placed to serve both the northern and southern sectors of the city. In response to increasing demand for quality education, both centres maintain exemplary standards to guarantee excellence in learning. Our dedicated teams at each location are committed to providing superior educational support and guidance, ensuring students receive the highest quality of education.

"Hello Tutors SA team,

We are delighted to share that our son has received an offer for the STEM Pathway at Adelaide Botanic High School and ACER Scholarship for a private school.

We want to extend our thanks to Tutors SA team for the exceptional support he received. The personalised mentorship, insightful feedback, and comprehensive review materials played a crucial role in his preparation for the assessment.

Without the guidance and resources provided by your outstanding tutors, he would not have gained the confidence needed to succeed in such a competitive entry exam.

We highly recommend the ACER, IGNITE and STEM preparation course at Tutors SA. A special thank you to Sabrina and Le for their dedication in the Mitcham group."

- Manny A, Enrolled: 2024 - current."

NALIKA S: (YEAR 7 - YEAR 12 AT TUTORS SA)

★ ★ ★ ★ ★

"Two of my children have been with Tutors SA since year 6. All the tutors we came across were supportive. Both did the ACER ignite program and won two scholarships. One finished year 12 with an ATAR over 98. The UCAT program is excellent. I highly recommend Tutors SA."

VINAL R: (YEAR 9 - YEAR 12 AT TUTORS SA)

★ ★ ★ ★ ★

"Tutors SA made Year 12 Specialist Maths and Maths Method a breeze, and I always found myself ahead of classwork because of them. It's a relaxed environment with great teachers, and I would recommend it to anyone."

KUSHAN M: (ACER/IGNITE/STEM + YEAR 6 - YEAR 8* AT TUTORS SA)

★ ★ ★ ★ ★

Our son was selected to IGNITE program all thanks to Don and his team. Class structure, materials, timely feedbacks and individual attention helped my son to achieve his targets. Without the help and support from Tutors SA, He wouldn't be able to reach his goals. We highly recommend Tutors SA scholarship program.

HARDY M:
(YEAR 7 - YEAR 12 AT TUTORS SA)

★ ★ ★ ★ ★

"We are extremely happy and impressed with Tutors SA. They have a balanced learning system in place. All Tutors are extremely well skilled and learned. Don, the main man himself is very supportive and available for all sorts of discussion and support. My son has progressed well and we aim to continue his tutoring with Tutors SA and will also get my daughter when time demands. Strongly Recommend for all that are on the lookout for a good Tutoring place."

Tutors SA

Your commitment

Regular attendance helps students build on their learning, develop confidence and make steady academic progress. Missing lessons can create gaps in understanding and make it harder to follow concepts introduced in subsequent classes.

Where suitable alternative groups are available for the same year level and subject, students may attend up to two replacement classes per term, subject to availability and the Enrolment, Payment and Cancellation Policy.

We encourage parents and caregivers to support consistent attendance and help their child attend every scheduled lesson. By working together, tutors, students and families can build positive learning habits and give each student the best opportunity to succeed.
